

Year 11 and 12 only environment

Manea has an established reputation for offering Year 11 and 12 students an education that enables them to achieve success and to transition into life beyond College. This is achieved through a learning environment that is specialised for young adults in the final two years of schooling and built on the foundations of strong relationships, mutual trust, respect, support and individual accountability.

Students are afforded a more mature working environment and as such, are presented certain flexibilities and privileges to support their transition to life after College.

The Manea facilities perfectly match our young adult environment. Our students believe that the design and 'feel' at Manea is more like a university campus or a workplace than a school. Our subject teachers who share the same moral purpose of committing to make a significant difference to the lives of our students, treating them as young adults and providing them with an outstanding set of learning and social opportunities, along with our disruption free environment add to the positive tone of the College.

Education Precinct – Our Location

A university, TAFE and senior college all in one central location - right here in the South West of Western Australia.

Located between Edith Cowan University and South Regional TAFE, Manea Senior College is part of a unique education precinct where our students have the opportunity to combine their school programs with nationally recognised training qualifications, as well as the ability to access resources and facilities across the precinct.

04

Manea attracts students from a range of schools, including significant numbers from Catholic and independent schools and students from over 30 different local, interstate and overseas schools. Manea serves a special role in the South West, catering for students with diverse backgrounds and interests from across the region, making us a truly regional College.

Accessible by an extensive bus network right on our doorstep, students come to Manea from across the South West, from Waroona, Collie, Manjimup, Bridgetown, Busselton, Margaret River and everywhere in between.
