Welcome to Manea Senior College.

Please be advised that all Year 11 and 12 subject costs at Manea Senior College are Charges and therefore **payment is compulsory**. The College relies very heavily on the payment of subject charges to enable our courses/programs to be adequately funded. Your support with regards to prompt payment would be appreciated.

We understand the costs of schooling can be a burden for many families particularly at the beginning of each year. Therefore, we offer a range of payment strategies to assist families in meeting their commitments. The impact on the College of large numbers of parents not paying these charges is that we will be forced to adjust courses to fit within the constraints of a reduced budget.

To allow for planning/budgeting all Subject Charges are to be fully paid by the end of Term 1 2018. If this is not possible we request you enter into a Direct Debit Agreement with the College.

If you require any further information or have any queries that are not answered in this booklet please do not hesitate to contact me.

Regards
Yvette Mouldsdale
Manager Corporate Services

Office Hours: 8.00am – 4.00pm Monday to Friday
During school terms excluding public holidays

Financial Assistance

Secondary Assistance Scheme:

The Secondary Assistance Scheme is available to secondary students – compulsory and post-compulsory – whose parents hold a Centrelink Family Health Care of Pensioner Concession Card or Veterans' Affairs Pensioner Concession Cards (blue card only).

The Secondary Assistance Scheme includes the Clothing Allowance and Educational Program Allowance.

If students are in receipt of Abstudy they are not eligible for the Secondary Assistance Scheme.

The Secondary Assistance Scheme is available to students up to and including the year in which they turn 18. Eligibility for the Secondary Assistance Scheme is based on a parent being the holder of a prescribed card. Students can only claim for themselves if they are classified by Centrelink as an Independent Youth. Appropriate evidence must be supplied by Centrelink to validate this claim

Clothing Allowance: \$115.00 – Department of Education will forward a payment for \$115.00 to the bank account of claimants who have satisfied the eligibility criteria. Where parents wish to direct the Clothing Allowance to the College, they can indicate their intent on the application form.

Educational Program Allowance: \$235.00 – Department of Education will pay this amount direct to the college and it will be applied to the student's charges.

Applications for this scheme are completed through the College. The closing date to apply is the last day of Term 1, 2018. Parents must apply in person to the College and have their concession card with them.

Youth Allowance

A Youth Allowance is available for eligible students through Centrelink when they turn 16. Applicants are means tested and further information should be sought from Centrelink.

Abstudy

This grant is available to Aboriginal full time students. Applications and enquiries should be made direct to Centrelink.

If you have been accepted into a Vocational Training course at BRTTC or another RTO as part of your full time enrolment with Manea Senior College, and there are course enrolment charges associated with the qualification, Manea will subsidise these costs for you up to the amount of \$1,000 per year. If there is a balance payable over and above the \$1,000 a separate invoice and communication will be sent to you for this amount. There will be a 50% deposit required to confirm enrolment in the courses that are over \$1,000 per year and this deposit is required to be paid to the College by the 8th December 2017.

With some VET courses there may be additional costs for text books and personal protective equipment and/or specific course equipment. You will be advised of these additional costs from the institution delivering the course.
